Los Angeles Art Association (LAAA) is a 501(c)(3) nonprofit organization whose mission is to provide opportunities, resources, exhibition venues and services for emerging Los Angeles artists of all media. LAAA began as a civic art institution in the 1920s, connecting elite art interests to Hollywood collectors, emerging after World War II as the center of Los Angeles modernism and finally becoming the city's nexus for emerging artists of all media. LAAA serves as a dynamic force for fresh contemporary ideas, outreach, and community.
